£7.50 if over 75 years old

(We don't mind if you want to make it £15!)

€25 (EU) annually

€15 if over 75 years old

(Again, €25 would be even better!)

UK Banks charge about £5 commission for cashing cheques in foreign currencies. If using dollars etc, please send the equivalent of £20 sterling

Many of you have kindly sent me details of your lives before, during and after 609, and these have proved to be really useful for the Newsletter. Do put pen to paper if you haven't already done so, and send to David Darley, at either david.dd.darley@btinternet.com or the address for rosemary.darley@virginmedia.com

Standing Orders

These are very helpful to the Association. If your address label shows an 'O', then you have set one up. Some 20 people returned forms to us, but failed to initiate their Standing Orders. Do please try again!

The enclosed form is in two identical parts. Fill both in, tear it in half, and send the left one to your Bank, and right one to the Treasurerer, currently Rosemary Darley, at the address above (it's also on the form). Don't send us any money: the Bank will debit your account at once, and then annually from the start date given. Thank you!
